## Connecting people who care with causes that matter

**We are looking for 100 ambassadors who care about the needs of Suffolk.**

Suffolk Community Foundation is dedicated to helping the people of Suffolk, working in partnership with others who are wanting to make a difference. With over **19,000** children in our county currently living below the poverty line; **8,500** reported cases of domestic abuse in the last year; **450** winter deaths attributed to poor living conditions and over **500** young people currently receiving counselling as a result of sexual abuse. We clearly have a lot of work to do if we are able to be truly proud of the county in which we live.

Through grant making we have awarded over **£12 million** to over **3,000** Suffolk charities and community groups who are doing remarkable and often unpublicised work right across our county.

The Suffolk 100 is for you if you would like to support our work. The Suffolk 100 asks you to make an annual donation of £1,000 for a minimum of three years.
