

WOMEN & Girls Fund SUFFOLK

Our vision is to create a supportive network of people who care deeply about Suffolk, and who would like to put something back into the community by helping local women and girls in need. We will meet twice a year, hear some inspirational stories from people active within the community, share ideas and pool our financial support to make well-targeted grants for maximum impact.

WOMEN & GIRLS FUND SUFFOLK – GIVING TOGETHER TO SUPPORT LOCAL WOMEN AND GIRLS IN NEED

We are looking for members to join our Women & Girls Fund and make an annual donation of £500 for a minimum of three years to support local women and girls in need. By joining together you can create a lasting and profound change and give women and girls in your community an equal chance of making the most of the opportunities offered through community grants. The Fund is managed by Suffolk Community Foundation.

WHERE DOES THE MONEY GO?

- £250 will be used immediately to support local projects through an annual grant making round facilitated by Suffolk Community Foundation.
- £250 will be used to build an endowment fund for long-term grant-making to women and girls in Suffolk. Where possible, this will be match funded through Suffolk Community Foundation.

YOUR OPPORTUNITY TO MAKE A DIFFERENCE

By joining the Women & Girls Fund for Suffolk, you will be leading by example. You will have the backing of experts in creating choices for women and girls in your community. Suffolk Community Foundation works closely with many resourceful local charities and groups that are making a real difference to the lives of local women and girls. Our objective is to help deliver projects that support local women and girls in need, and change their lives for the better.

Through collective giving, you will be engaging with like-minded people and will come to understand the issues facing your own community better. Your pooled donations and experience will shape the grant making of the Fund and you will belong to a group where the whole is more than the sum of its parts. The building of an endowment fund will mean your gift will last in perpetuity. Ultimately we would like to encourage similar groups to start up across the UK Community Foundation network, so that collective giving becomes a collective voice for women and girls across the UK.
